

NASSLI

LED LAMP

POWER SUPPLY

Product: Power Supply
Item No.: LPS-24E100

Brief Introduction:

Internal led power supply for LED module, strip, flex ribbon, spot light, down light, panel light, etc...

Seamless aluminum case, IP20

Constant voltage output

100% burn-in test

SPECIFICATIONS

MAIN SPECIFICATIONS (T=25C)

ITEM	DESCRIPTION
AC Input Voltage	100 - 240V50/60Hz
DC Out Put	+24V—416A
Circuit Structure	PWM Controlled
Out Power	100W
Power Supply Mode	Constant Voltage Source
In Out	Step Down Type
Power Supply Voltage	AC 170 - 250V
Out Put Type	Single
Usage	Light, Industry and Construction
Driving Method	LED Regulator Voltage
Certifications	CE and RoHS
Modulation System	PWM
Brand	Neonpro
Out Put Voltage	24VDC \pm 5%
Trademark	Nassli LED Lights(Turkey)
Specification	CE, RoHS, SAA
IP Rating	IP20
